MMTTC, IIT PATNA

Background

The Short-Term Programme (STP/FDP) has a duration of 6 working days (36 hours). The one-week Short-Term Programme/ Faculty Development Programme will cover various themes such as Academic Leadership, Research Methodology, Climate Change, Sustainable Development Goals, Net Zero, Entrepreneurship, Indian Knowledge Systems, Gender Studies, Teacher Connect, Learner Disabilities, Design Thinking, etc. Technology will play an important role in the teaching-learning process, monitoring, evaluation, analytics, etc. Therefore, every MMTTC may be required to conduct at least one short-term programme on ICT applications such as Development of MOOCs, Learning Management Systems, ICT application in assessment and evaluation, Blended learning, e-content development, Open Education Resources, etc.

IIT Patna

Indian Institute of Technology Patna is one of the new IITs established by an Act of the Indian Parliament on August 06, 2008. Patna which was known as Pataliputra has been a center of knowledge since long has been attracting visitors and scholars from many parts of the world such as China, Indonesia, Japan, Korea, Sri Lanka, among others. This has been a land of visionaries. Some of the legends from this region include Lord Gautam Buddha, Lord Mahavir, Guru Gobind Singh, the famous astronomer Aryabhata and the first President of India, Dr. Rajendra Prasad. IIT Patna has ten departments: These are Computer Science & Engineering, Electrical Engineering, Mechanical Engineering, Chemical and Biochemical Engineering, Civil & Environmental Engineering, Materials Science & Engineering, Chemistry, Physics, Mathematics and Humanities & Social Science departments.

IIT Patna campus is located at Bihta which is approximately 40 kms from Patna. As of April 2016, IIT Patna has six hundred seventy students enrolled in its B Tech programs, one hundred sixty-one M.Tech students and two hundred fifty-nine Ph.D. students. Since inception in 2008 and till April 2016, more than four hundred students have been awarded B.Tech. degree, more than seventy-five students have been awarded M.Tech. degree and more than 20 research scholars have been awarded PhD degree. As of April 2016, faculty strength of IIT Patna is one hundred one (which includes one DST Ramanujan Faculty Fellow, one Adjunct Faculty, one DST INSPIRE Faculty and one Visiting Professor). Faculty members are supported by more than seventy efficient staff (non-teaching) members. These numbers are anticipated to increase as the Institute is growing at a steady pace. The faculty members of IIT Patna have a wide range of academic and research experience. They have been trained in the top ranked Institutes within the country and abroad. Research activity in IIT Patna has been published in high quality and peer-reviewed national and international journals. Please browse individual faculty member web-page for more information. Faculty members of IIT Patna have been also participating in national and international conferences of repute.

About Programme

The Program Intends to provide useful inputs to faculty members toward their development as future leaders in higher education. **Loknayak Jai Prakash Institute of Technology** will accommodate 40-50(as mandated) participants in this programme.
