VISION DOCUMENT

Institute Development Society

Lok Nayak Jai Prakash Institute of Technology, Chhapra

For the Period 2026–2029

1. Introduction

The Institute Development Society, Lok Nayak Jai Prakash Institute of Technology, Chhapra has been established with the broad objective of supporting the development, innovation, research, technological advancement and self-sustainability of the Institute.

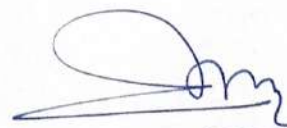

The Society aims to create an effective platform for mobilising resources from Government and non-Government sources, developing meaningful collaborations, promoting innovation and research, undertaking projects and consultancy, and facilitating capacity-building activities.

The Vision Document provides a broad direction for the Society for the coming years and will serve as a basis for preparation of the Annual Action Plans and budgets.

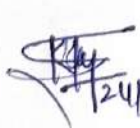

The Society's Vision Document and Annual Action Plan are intended to guide its activities in accordance with the Memorandum of Association and the Rules and Regulations of the Society. The Governing Body is empowered to approve the Vision Document, Annual Action Plan and budget for the ensuing year.

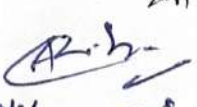

2. Vision

“To develop LNJPIT Chhapra as a self-sustaining, innovation-driven and collaborative technical institution by mobilising resources, promoting research and technology, developing meaningful partnerships, undertaking projects and consultancy, and creating opportunities for continuous institutional development.”

3. Mission

The Institute Development Society shall work towards:

1. **Mobilising resources** from Government, semi-Government and non-Government organisations, CSR initiatives, alumni, industries, trusts, foundations and other appropriate sources.
2. **Promoting innovation** in Science, Technology and Technical Education among students and faculty.
3. **Facilitating projects and consultancy** by utilising the expertise and available resources of the Institute.
4. **Promoting research and technological development** through collaboration with Government organisations, industries, academic institutions, research organisations and other suitable partners.
5. **Developing strategic partnerships and collaborations** through appropriate agreements and MoUs.
6. **Creating and supporting special funds** for identified institutional development priorities, subject to applicable rules and approvals.
7. **Promoting capacity building and knowledge sharing** through workshops, seminars, conferences, symposiums, conclaves and expert interactions.
8. **Supporting institutional self-sustainability** by gradually increasing the Society's ability to mobilise external resources and generate income through permissible projects and consultancy activities.

4. Core Areas of Focus

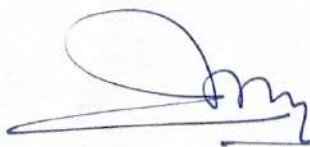

The activities of the Society shall broadly be organised around the following seven areas:

4.1 Resource Mobilisation

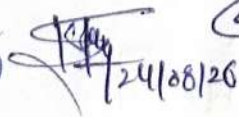

The Society will develop systematic efforts to identify and approach potential sources of financial and other support, including Government agencies, CSR organisations, industries, alumni, trusts, foundations and other institutions.

The objective is to gradually develop an ecosystem of institutional support and reduce dependence on a single source of funding.

4.2 Innovation and Technology

The Society will encourage students and faculty to identify problems, develop innovative ideas and convert promising ideas into projects, prototypes and technology-based solutions.

The emphasis during the initial years will be on **ideas, mentoring, collaboration and utilisation of existing institutional resources**, rather than high-cost infrastructure.

4.3 Projects and Consultancy

The Society will encourage departments and faculty members to identify areas in which their technical expertise can be utilised for:

- Government projects;
- Institutional projects;
- Industry-related projects;
- Technical studies;
- Consultancy assignments; and
- Other permissible professional activities.

The Society will facilitate preparation and submission of suitable proposals.

4.4 Research and Collaboration

The Society will facilitate interaction and collaboration with:

- Government departments;
- Industries;
- Universities and technical institutions;
- Research organisations;
- Professional organisations; and
- Other appropriate national and international partners.

The objective will be to create opportunities for joint research, technical studies, knowledge sharing, projects and capacity building.

5. Strategic Goals: 2026–2029

Goal 1: Build a Strong Foundation

During the initial phase, the Society will establish systematic mechanisms for:

- Planning;
- Record keeping;
- Project identification;
- Resource mobilisation;
- Partnership development;
- Financial management; and
- Monitoring and reporting.

Goal 2: Develop a Resource Mobilisation Network

The Society will create and regularly update a database of:

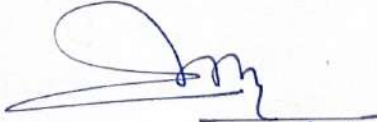

- Funding agencies;
- Government departments;
- CSR organisations;
- Industries;
- Alumni;
- Foundations;
- Trusts; and
- Other potential partners.

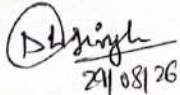

The focus will be on **continuous identification of opportunities and submission of suitable proposals.**

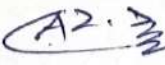

Goal 3: Create an Innovation Culture

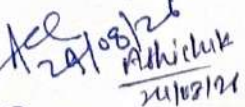

The Society will encourage students and faculty to identify real-life problems and develop innovative solutions.

Priority will be given to initiatives that can be undertaken using existing institutional facilities and expertise.

Goal 4: Increase Project and Consultancy Activities

The Society will facilitate the preparation and submission of project and consultancy proposals by departments and faculty.

The long-term objective will be to establish LNJPT as a credible technical partner for Government and other organisations.

Goal 5: Establish Meaningful Collaborations

The Society will develop a network of academic, research, Government and industry partners.

Collaborations will be evaluated on the basis of **actual activities and outcomes**, rather than merely the number of MoUs signed.

Goal 6: Promote Knowledge and Capacity Building

The Society will provide opportunities for students, faculty and professionals to interact through expert lectures, workshops, seminars, conferences, conclaves and other knowledge-sharing activities.

Goal 7: Build a Sustainable Institutional Development Ecosystem

The ultimate objective will be to develop a system where:

Ideas → Projects → Partnerships → Resources → Implementation → Outcomes → Further Opportunities

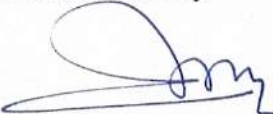

This cycle will enable the Society to progressively strengthen its contribution to the development of LNPIT Chhapra.

6. Guiding Principles

The Society shall follow the following principles in pursuing its Vision:

1. Institutional Interest First

All activities shall contribute to the development and objectives of the Institute and Society.

2. Minimum Expenditure, Maximum Impact

Priority shall be given to activities that utilise existing institutional resources and expertise.

3. Transparency

Financial and administrative activities shall be undertaken in accordance with applicable rules and approved procedures.

4. Collaboration

The Society shall promote cooperation among the Institute, Government, industry, alumni, academic institutions and other stakeholders.

5. Outcome Orientation

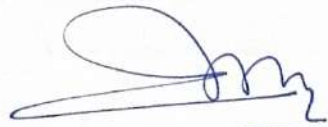

Activities shall be assessed based on measurable outcomes rather than merely the number of programmes conducted.

6. Sustainability

Every major initiative should, wherever possible, contribute to long-term institutional capacity or resource generation.

7. Inclusiveness

Students, faculty, alumni, industry professionals and other appropriate stakeholders should have opportunities to contribute to institutional development.

Sustainability	Growth in internally/external-resource-supported activities

These indicators shall be reviewed periodically and may be modified by the competent authority according to the priorities and resources of the Society.

9. Implementation and Monitoring

The **Executive Committee** shall be responsible for the management and implementation of activities of the Society within the framework of the Memorandum of Association and Rules & Regulations.

The Rules specifically provide that the Executive Committee shall consider the Vision Document, Annual Budget and Annual Action Plan and monitor the activities of the Society to ensure achievement of its objectives.

The Executive Committee shall meet at least once every three months for management of the affairs of the Society.

The **Member Secretary** shall coordinate planning and execution of the activities and implement the decisions of the Governing Body and Executive Committee.

10. Annual Review

At the end of every financial year, the Society shall review:

- Activities completed;
- Projects proposed and obtained;
- Resources mobilised;
- Consultancy activities;
- Innovation initiatives;
- Collaborations and MoUs;
- Capacity-building activities;
- Utilisation of funds;
- Outcomes achieved; and
- Areas requiring improvement.

The findings of the annual review shall form the basis for the **next Annual Action Plan and Budget**.

The Society's Rules also provide for preparation of an Annual Report on its work and activities, together with the relevant financial statements and auditor's report, for consideration by the Governing Body.

Report on the Audit of the Financial Statements

Opinion We have audited the accompanying financial statements of **Institute Development Society, Lok Nayak Jai Prakash Institute of Technology, Chhapra**, which comprise the Balance Sheet as at March 31, 2026, the Income & Expenditure Account, and the Receipt & Payment Account for the year ended March 31, 2026, along with a summary of significant accounting policies and notes to accounts.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Society as at March 31, 2026, and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the Code of Ethics issued by the ICAI, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Financial Statements The Management / Governing Body is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Society in accordance with the accounting principles generally accepted in India and the Societies Registration Act, 21 of 1860. This responsibility includes the design, implementation, and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Report on Other Legal and Regulatory Requirements

We report that:

1. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
2. In our opinion, proper books of accounts have been maintained by the Society so far as appears from our examination of those books.
3. The Balance Sheet, Income & Expenditure Account, and Receipt & Payment Account dealt with by this report are in agreement with the books of accounts.

Report on the Audit of the Financial Statements

Opinion

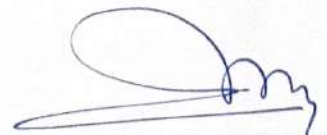

We have audited the accompanying financial statements of **Institute Development Society, Lok Nayak Jai Prakash Institute of Technology, Chhapra**, which comprise the Balance Sheet as at August 31, 2026, the Income & Expenditure Account, and the Receipt & Payment Account for the period from April 1, 2026 to August 31, 2026, along with a summary of significant accounting policies and notes to accounts.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Society as at August 31, 2026, and of its financial performance and cash flows for the period then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the Code of Ethics issued by the ICAI, and we have fulfilled our other ethical responsibilities. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Financial Statements

The Management / Governing Body is responsible for the preparation of these financial statements that give a true and fair view of the financial position and performance of the Society in accordance with the accounting principles generally accepted in India and the Societies Registration Act, 21 of 1860. This responsibility includes the design, implementation, and maintenance of internal controls relevant to the preparation and presentation of financial statements that are free from material misstatement.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Report on Other Legal and Regulatory Requirements

We report that:

1. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
2. In our opinion, proper books of accounts have been maintained by the Society so far as appears from our examination of those books.
3. The Balance Sheet, Income & Expenditure Account, and Receipt & Payment Account dealt with by this report are in agreement with the books of accounts and bank statements produced before us.
