Date: 04.12.2025

INSTITUTION'S INNOVATION COUNCIL

The minutes of council meeting of IIC, LNJPIT was held on 04.12.2025 in Conference Hall. It began at 10.30 AM and was presided over by the IIC, President.

Agenda 1: To plan key innovation activities such as Workshops, Expert Talks, and AI Innovation Sprints

The President, Dr. Umesh Chaudhary, welcomed the members and initiated the discussion on planning innovation centric activities for the Quarter 2 (Q2). The council deliberated on organizing hands-on workshops, expert talks by industry professionals, and AI based innovation sprints to enhance students' innovation and entrepreneurial skills.

Resolution:

It is resolved to organize a series of innovation workshops, expert lectures, and AI innovation sprints during Q2, with active involvement of faculty coordinators and student members

Agenda 2: To finalize outreach programs and field visits to pre-incubation units

The President invited the members to discuss outreach initiatives and exposure visits. The council emphasized the importance of field visits to pre-incubation centers, startups, and innovation hubs to provide real-world entrepreneurial exposure to students.

Resolution:

It is resolved to plan and conduct outreach programs and field visits to nearby pre-incubation units and startup ecosystems during the Q2.

Agenda 3: To discuss innovation competitions, hackathons, and reward mechanisms

The Convenor of IIC discussed the need for organizing internal innovation competitions and hackathons. Members also deliberated on suitable reward and recognition mechanisms to motivate student participation.

Resolution:

It is resolved to organize innovation competitions and hackathons at institute level and to introduce suitable reward and recognition mechanisms for winning teams and innovative ideas.

Agenda 4: To plan Demo Day, exhibition, and prototype showcase for Q2 (December 2025 to February 2026)

The council discussed the organization of a Demo Day and prototype exhibition to showcase innovative ideas, projects, and startups developed by students under IIC activities.

Resolution:

It is resolved to organize a Demo Day, exhibition, and prototype showcase during Q2 to promote innovation, creativity, and entrepreneurial outcomes among students.

Agenda 5. Encouraging Faculty Members to Undergo Advanced Training for Innovation Ambassadors

The importance of Advanced Training for Innovation Ambassadors was highlighted as a strategic step to foster innovation in the university. The president urged the faculty to take advantage of this training to further guide students in innovative initiatives. The IIC Cell committed to facilitating communication and support to encourage participation.

Resolution:

It was resolved that the IIC will actively encourage faculty to undergo Advanced Training for Innovation Ambassadors and provide necessary assistance for their participation.

Agenda 6: Any other matter with the permission of the Chair

INSTITUTION'S
INNOVATION
COUNCIL

(Ministry of Education, Government of India)

LOKNAYAK JAI PRAKASH INSTITUTE OF TECHNOLOGY
CHAPRA, SARAN (BIHAR) – 841 302
(Institution's Innovation Council, Govt. of India)

With the permission of the Chair, the President informed the members about the overall action plan preparation for Q2 and emphasized coordination among all IIC members for successful implementation.

Resolution:

It is resolved that all IIC members will actively cooperate in planning and executing the approved activities as per the Q2 action plan.

Conclusion

The council unanimously approved the Q2 Action Plan (December 2025 to February 2026) and assured full cooperation from all members for effective implementation of IIC activities.
