INSTITUTION'S INNOVATION COUNCIL

The minutes of council meeting of IIC, LNJPIT was held on 17.02.2026 in Conference Hall. It began at 10.30 AM and was presided over by the IIC, President.

Agenda 1: Confirmation of previous meeting minutes

The President of IIC welcomed all the members and placed the minutes of the previous meeting before the council for confirmation. The members reviewed the proceedings and expressed satisfaction with the implementation of the decisions taken during the previous quarter.

Resolution:

It is resolved that the minutes of the previous IIC meeting are confirmed and approved by all members.

Agenda 2: Planning of innovation activities (Workshops, Expert Talks, AI Innovation Sprints)

The President initiated discussions on organizing innovation focused activities during the quarter. Members suggested conducting workshops on emerging technologies, expert talks by industry leaders, and AI Innovation Sprints to foster creativity, innovation, and entrepreneurial thinking among students.

Resolution:

It is resolved to organize innovation workshops, expert talks, and AI Innovation Sprints during the Q3 with active participation from students, faculty members, and industry experts.

Agenda 3: AI powered solution expo, demo day, and prototype showcase planning

The council discussed organizing an AI powered Solution Expo, Demo Day, and Prototype Showcase to provide a platform for students to present innovative projects, AI based solutions, and startup ideas.

Resolution:

It is resolved to conduct an AI powered Solution Expo, Demo Day, and Prototype Showcase to encourage innovation and provide visibility to student led projects and prototypes.

Agenda 4: Mentoring activities: Demo Day, poster presentations, and mentor linkages
The IIC Convenor explained the framework of the Mentor-Mentee Program focusing on innovation and startup guidance. Faculty-student mapping and periodic reviews were discussed.

Resolution:

It is resolved to organize mentoring activities including Demo Day interactions, poster presentations, and mentor linkage programs to support student innovators and entrepreneurs.

Agenda 5: Planning for celebration of important IIC days and events

The President discussed the celebration of important innovation and entrepreneurship related events under the IIC framework. Members proposed conducting awareness programs, competitions, and special activities to commemorate significant occasions.

Resolution:

It is resolved to celebrate important IIC days and events through workshops, competitions, awareness campaigns, and student engagement activities.

Agenda 6: Any other matter with permission of the Chair

With the permission of the Chair, members discussed the importance of increasing student participation in innovation activities and strengthening collaboration with external innovation and startup ecosystems.

Resolution:

It is resolved to encourage greater student participation and establish stronger linkages with innovation and startup support organizations.

Agenda 7: Skill India Mission

The Convenor briefed the members about activities under the Skill India Mission and highlighted opportunities for skill development, certification programs, and employability enhancement initiatives.

Resolution:

It is resolved to promote Skill India Mission initiatives and encourage students to participate in skill development and certification programs.

Agenda 8: Q3 Action Plan Development (March 2026 to May 2026).

The council reviewed and finalized the Q3 Action Plan covering innovation activities, mentoring initiatives, startup support programs, and institutional events to be conducted during the quarter.

Resolution:

It is resolved to approve and implement the Q3 Action Plan (March 2026 to May 2026) with the support and cooperation of all IIC members.

Agenda 9: Any other matter with the permission of the Chair.

With the permission of the Chair, the President emphasized timely execution of planned activities, proper documentation, and submission of reports to ensure effective implementation of IIC initiatives.

Resolution:

It is resolved that all IIC members shall actively coordinate and contribute towards the successful implementation, documentation, and reporting of approved activities.
