INSTITUTION'S INNOVATION COUNCIL

The minutes of council meeting of IIC, LNJPIT was held on 25.11.2025 in Conference Hall. It began at 10.30 AM and was presided over by the IIC, Vice-President.

Agenda 1: Updating new external members and students' council members

The Vice-President, Mr. Aditya Ranjan, welcomed the members and discussed the need to strengthen IIC through the inclusion of new external experts and student council members. The IIC Convenor, Mr. Anish Kumar MP, presented the proposed list along with their expected roles.

Resolution:

The inclusion of new external members and student council members for Quarter-1 (Q1) was unanimously approved.

Agenda 2: Formulation and functioning of IIC and allocation of roles

The structure, objectives, and functioning of IIC as per MoE guidelines were explained by the President. The roles and responsibilities of newly inducted members were discussed for effective coordination of IIC activities.

Resolution:

Defined roles and responsibilities were assigned to all IIC members.

Agenda 3: Viksit Bharat Buildathon 2025

The objectives and national importance of Viksit Bharat Buildathon 2025 were discussed. Members deliberated on student participation, mentoring support, and internal coordination.

Resolution:

It was resolved to promote student participation and constitute a mentoring team.

Agenda 4: Mentor-Mentee Program

The IIC Convenor explained the framework of the Mentor-Mentee Program focusing on innovation and startup guidance. Faculty-student mapping and periodic reviews were discussed.

Resolution:

The Mentor-Mentee Program was approved for implementation during the academic year.

Agenda 5: Impact Lecture Series

Members discussed organizing expert talks by entrepreneurs and industry professionals to inspire students. Tentative themes and expected outcomes were reviewed.

Resolution:

It was resolved to organize the Impact Lecture Series according to MIC deadline.

Agenda 6: Q1 Action Plan (September 2025 to November 2025)

The draft Q1 action plan covering innovation and entrepreneurship activities was presented. Suggestions from members were incorporated.

Resolution:

The Q1 action plan was approved for execution.

Agenda 7: Any other matter with the permission of the Chair

General suggestions related to improving student engagement and industry collaboration were discussed. The Chair permitted discussion on strengthening documentation practices.

Resolution:

Suggestions will be implemented wherever feasible.
