Aptitude & Logical Reasoning: A Path to Placement Success was organized by the UpFlairs Pvt Ltd from Jaipur from 09th Aug 2023 to 11th Aug 2023 at EDUSAT Lab, lab building LNJPIT Chapra. The main purpose of this event was to train students for their aptitude skills; which will help them in interview tests as well as different competitive exams. It was a very well-planned session for the students.

The whole event was organized by Training & Placement Office Under guidance of Principal LNJPIT.

On this auspicious occasion, all students performed very well and enjoyed the 18 hrs Aptitude session. Mr. Siddharth Singh also gave an idea about the Interview patterns and taught each and every topic related to mental ability and tricky questions very enthusiastically.

He provided Activity based Questions for students, and all students worked on those by giving their best. The questions were based on the following topics:

1. Ratio and Proportion
2. Blood Relations
3. Distance, Velocity, and Time
4. Profit and Loss
5. Average
6. Percentage
7. Directions
8. Work and Time
9. Number Series
10. Seating Arrangement
11. Number Pattern

At the end of the session, a Vote of Thanks was given by Training & Placement Officer Mr. Amar Sir with a memorable trophy to Mr. Siddharth Singh. This aptitude session was very helpful for all students, and students appreciate this training. Thank you to all the management of LNJPIT Chapra for providing this platform to students.
