**Invitation Letter for Parents' Interaction during NBA Accreditation Visit  
on 19th September 2026**

Dear Parent/Guardian,

It gives us immense pleasure to invite you to participate in the Parents' Interaction scheduled for **19th September 2026** during the forthcoming **NBA Accreditation Visit**, being conducted from 18th to 20th September 2026 at Lok Nayak Jai Prakash Institute of Technology, Chapra.

We cordially invite the parents/guardians of our current students as well as the parents/guardians of our alumni from the 2012 batch onwards to participate in this important interaction.

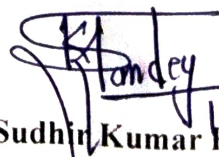

The interaction will provide an opportunity for parents to share their valuable experiences and perspectives regarding the academic environment, teaching-learning practices, institutional facilities, student support services, career guidance, professional development, and overall growth of students during their association with the Institute.

For parents of alumni, the interaction will also provide an opportunity to share their ward's academic journey, career progression, professional achievements, and the contribution of the Institute towards their professional growth. For parents of current students, their feedback regarding the present academic environment, facilities, student development initiatives, and career support will be equally valuable.

Your valuable feedback, experiences, and suggestions will help the NBA visiting team understand the effectiveness of the Institute's academic and developmental initiatives and will contribute to our continuous efforts towards academic excellence, quality improvement, industry relevance, and holistic development of students.

You are therefore requested to grace the occasion with your presence on **19th September 2026** and actively participate in the interaction with the NBA visiting team.

We sincerely look forward to your gracious presence and valuable participation in this important occasion.

  
11/09/26

Dr. Sudhir Kumar Pandey  
Training & Placement Officer  
Lok Nayak Jai Prakash Institute of Technology, Chapra
